Time record for club racing

Date: _____ *2019-09-07* _____

Crew names on start boat: _____ *Mary, Sam* _____

Crew names on course boat: _____ *Paula, Johnny* _____

Course (circle):   1 (windward-return)   (2) (triangle / windward-return)

Wind direction (°): _____ *95* _____

Wind speed (knots) - minimum: _____ *6* _____ median: *10-12* _____ maximum: _____ *15* _____

Course length (nautical miles or meters): _____ *0.8* _____

<mark>Time of day</mark> for first warning signal (hh:mm:ss): _____ *13 : 31 : 00*

Offset time division 1 (hh:mm:ss):   *04 : 25 : 13*

Offset time division 2 (hh:mm:ss): _____ *04 : 30 : 13*

Notes (refer to lines S1- S24 or F1- F24 below): *F1: Jimmy was OCS, received an individual recall, came back but was not all the way below the line before turning around to continue racing.*

S4: did not sign on but politely informed us about it, so all good.

F4: retired after 3 laps with a broken tiller extension.

- Set the finish line soon after the last boat has started, raise the blue flag.
- Please fill in the time record sheet as in this example.
  <mark>Please use pencil and eraser to make it look neat and legible.</mark>
- Record boats in the table for laps in the order as they go around in the first lap. Make a tick for each lap they did sail and a horizontal line for the laps they did not sail.
- Record boats in the table for finishing time in the order as they cross the line **<mark>OR as soon as you become aware that they are OCS or RET</mark>**.
- **<mark>Ensure that the number of boats in both tables is the same.</mark>**
- Tack the timer print out onto the results sheet and leave it in the folder in the bag.
- Anything needing attention re. boats and equipment? Please record under notes.

Thank you :)
