- 12.2. The start/finish boat is a mark of the course, and any buoy attached to the stern of the boat is a part of it.
- 12.3. Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other divisions.
- 12.4. A standard 5-minute start sequence will apply (RRS 26). Where multiple starts occur, the start signal for the previous start will be the 5-minute signal for the next start unless circumstances dictate otherwise.
- 12.5. A boat starting later than 4 minutes after its starting signal will be scored Did Not Start (DNS) without a hearing. This changes RRS 63.1 and A5.
- 12.6. If a general recall occurs, it is up to the Race Officer to decide whether the offending division/class waits until all other classes and divisions have started before their next start sequence occurs. Keep an eye on the flags.

14. TIME LIMIT

- 14.1. The target time for all divisions is 45 minutes from the start to when the first boat finishes.
- 14.2. For all divisions other than the Herons, any boat that is far behind the rest of the fleet may be 'Finished On-Course' (FOC) at the discretion of the Race Officer. All boats subject to a 'FOC' will be informed of such by an LCSC support boat and will then return immediately to the start area while avoiding any boats still racing. This changes rules 28.1, 35, and A5.
- 14.3. For Herons only. Any boat that has not finished within 20 minutes of the first boat has completed the course will be scored Time Limit Expired TLE (Time Limit Expired) without a hearing. A boat scored TLE shall receive one more point than the points scored by the last boat that finished within the Time Limit. This changes RRS 35, A5.1, A5.2 and A10.

15. SAFETY

- 15.1. All competitors and boats must comply with the safety regulations of Australian Sailing and their respective class rules. The Race Committee may reject or rescind the entry of a non-conforming boat and may disqualify a boat for a safety breach at any stage during the series without a Protest Hearing. This amends RRS63.1.
- 15.2. Competitors are not required to sign on and sign off for each race session.
- 15.3. A boat that retires from a race shall notify the race committee as soon as possible. This should be done by hailing a support boat. Unless unavoidable, a retiring boat should not inform volunteers on the Start/Finish boat of their retirement.
- 15.4. A boat retiring from a race must not sail through the start finish line until the start of the next race for the division in which she is entered.

16. EQUIPMENT AND MEASUREMENT CHECKS

- 16.1. All competing boats must comply with their respective class measurements and rules.

- 17.1. Substitution of skippers is not allowed unless covered by a separate entry.
- 17.2. If a substitute skipper is used, then the results for the two skippers will be counted separately.
- 17.3. For boats with one or more crew members (i.e. in addition to the skipper), substitution of a crew member is not allowed without prior written approval of the race committee and then only in exceptional circumstances.
- 17.4. Applications for a replacement of the skipper or crew must be made in writing to the race committee no later than 80 minutes prior to the start of the race, unless in exceptional circumstances the race committee agrees this was not possible. This application will be assessed on a case by-case basis. Any change of skipper (but not crew) will cause the boat to be ineligible for major prizes and the race committee reserves the right to change the handicap of the vessel.
- 17.5. For Herons only. Substitution of sails during the event is not allowed unless authorised in writing by the race committee. Requests for substitution shall be made to the committee at the first reasonable opportunity, which may be after the race. Substitution of sails will only be approved if the previous sails have been lost or damaged.

18. SUPPORT BOATS

- 18.1. Vessels carrying team leaders, coaches and/or spectators shall stay outside areas where boats are racing from the time of the first warning signal for the first division to start until all boats have finished or the race committee signals a postponement, general recall, or abandonment.
- 18.2. The only exception to Cl. 18.1 is if the race officer, or his/her delegate, requests the relevant vessel to assist in some way on the race course.
- 18.3. Skippers of vessels carrying team leaders, coaches and/or spectators will monitor VHF channel 77 and respond to any requests for assistance from the Race Officer or his/her delegate.

- 19.4. Protest notices will be posted no later than 30 minutes after the protest time limit to inform competitors of hearings in which they are parties or named as witnesses. Hearings will be held in the protest room, at LCSC, beginning as soon as practical.
- 19.5. On the last scheduled day of racing a request for reopening a hearing shall be delivered:
 - a) within the protest time limit if the requesting party was informed of the decision on the previous day,
 - b) no later than 30 minutes after the requesting party was informed of the decision on that day.

This changes rule 66.

20. SCORING

- 20.1. Up to 7 races are scheduled and two completed races will constitute a series.
- 20.2. When four races or less have been completed a boat's final score will be the total of its race scores.
- 20.3. When more than four races have been completed a boat's final score will be the total of its race scores excluding its worst score (1 drop).
- 20.4. For all boats other than Herons, a boat's published yardstick will be used to calculate positions within its relevant divisions.

24. SUPPLEMENTARY NOTES FOR THE ASSISTANCE OF COMPETITORS

- 24.1. The speed limit on the roads leading to the club and along the foreshore is 20kph and it is important for the safety of pedestrians that this is adhered to. A 40kph speed limit applies to most other roads in Boreen Point.
- 24.2. Only limited parking is available adjacent to the beach at Boreen Point and all competitors are asked to off load their boats and then take their road trailers back to their accommodation. If this is not possible, the club's storage compound will be open, and competitors are asked to take their trailers there. The compound is around 300 metres away from the beach and volunteers will be on hand to provide directions.
- 24.3. Competitors are also reminded that Boreen Point is a quiet community, and we share the beach and the surrounding areas with local residents. Every effort should be made to respect the rights of others to enjoy the area as much as we do.
- 24.4. The sailing club is not connected to town water and relies on rainwater tanks for all its water supplies. Please use the water sparingly and do not use the tap outside the club to wash your boats down.
- 24.5. There are no grocery stores in Boreen Point. The nearest shops are at Tewantin or Pomona which are both around 20 minute's drive from the sailing club.
- 24.6. The nearest chandler (The Noosa Boatman) is in Tewantin, however this shop only carries a limited range of fittings. The nearest Whitworths is in Minyama which is around 1 hour from Boreen Point.
