## Competitor's Handbook

# Welcome

It is with great pleasure that I welcome you to the 2025 Paper Tiger Catamaran International Championships. I especially want to welcome our visitors from New Zealand, and trust they are enjoying their time in the region. I also extend a warm welcome to those joining us from five Australian States. To all those who have not been to Noosa before, we hope you will have a great time and take the opportunity to experience plenty of what it has to offer.

This is the 34th time that the Internationals has been held, starting in 1975. What a huge achievement to celebrate! Without sponsorship these International Championships would not be possible, and I want to give a massive thank you to our event sponsor, **PT Star Masts**, for their willingness to provide support to the New Zealand teams, which allows us to get their boats over here for the event. This magnificent gesture enables us to keep up the wonderful 50-year tradition of this contest and we cannot thank PT Star Masts enough.

We also have been very fortunate to have **Mako Eyewear** as a major sponsor for donating the welcome night catering and the event shirts. Their generous support has allowed us to run a quality event while also keeping costs to a minimum. They have been very easy to deal with and have shown great enthusiasm for the event. This terrific support is greatly appreciated, and we thank them for it.

I also want to acknowledge all our other sponsors for their support. Our thanks to the **Australian Boating Supplies, Paper Tiger Shop, Godwin Trophies and Gifts**.

An enormous amount of work has gone into making this an excellent event, with many people giving a huge amount of time and effort along the way. Thank you to everyone who has contributed in some way. It only remains for all of you to participate fully, to take the time to meet any other sailors, officials and families you don't already know and to enjoy the great racing we are sure to see unfold over the course of the week. Enjoy...

## **Trevor Cann - Winner 1st Internationals 1975, Torbay, Auckland, New Zealand**

The 1st Internationals held 50 years ago this past Easter fielded a crack fleet with past national champions, Ray Cann (Aust 1972), Bruce Little (Aust 1973 & NZ 1974) and Peter Anderson (Aust 1974) plus the recently crowned NZ titleholder, Peter Gray amongst the competitors. The victory, however, went to the unheralded 16 years old teenager, Trevor Cann from Preston Yacht Club in Melbourne who had placed 8<sup>th</sup> in the Australian nationals that year. His slashing win in the series was capped off with first placing in the seventh and final heat. This was a masterclass sailed in 25-30 knots and huge seas. It is a performance that is etched in the memory of all who were there and has become the stuff of legends.

Trevor's international career extended to being an Australian team member in three more series, 1976 Beaumaris 13<sup>th</sup>, 1977 Algies Bay 12<sup>th</sup> and 1985 Elwood 26<sup>th</sup>.

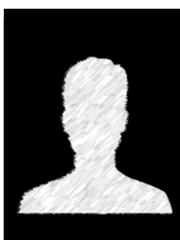

Part of an illustrious Paper Tiger family, father Ray was Australian national champion in 1972 and 1980, and younger brother Greg emulated his sibling with a similar total demolition job to be international champion in 1989 at New Plymouth. Greg also was Australian national champion in 1987. Mother Dallas, ashore was forever the glue that kept all three Cann boys in the mix at or near the top of the fleet wherever and whenever they raced.

Trevor is guest of honour at the 34<sup>th</sup> series here at Lake Cootharaba. Please welcome Trevor with partner Astrid, back to the Paper Tiger fraternity as we celebrate five decades of international competition for the class.

Below the shop name, the tagline 'for all your specialised PT parts' is written in a smaller, black, cursive font. A list of products is provided in a simple black font: 'Plans', 'Beams', 'Booms &amp; Vangs', 'Masts &amp; Fittings', 'Rudder fittings', 'Sail Numbers', and '&amp; Much More'. MAKO Polarised Sunglasses were launched onto the Australian marketplace over 25 years ago and have been at the leading edge of high-quality polarised eyewear ever since. We were one of the first (if not *the* first) local brands to introduce Glass Polarised Lens technology and continue to be 100% Australian owned.

We have a very strong following in the sports and Boating markets with many consumers aware of the absolute commitment to quality Mako represents.

Australia has some of the harshest conditions anywhere in the world and we develop and source materials that are able to cope with those conditions. From our high-quality Italian and Japanese lenses to our proprietary High Definition and Infra-Red filters added to our lenses to create the ultimate in clarity and comfort, everything we put into our sunglasses is rigorously tested.

All Mako Polarised Sunglasses are tested in the field by our team of outdoors people across a wide range of activities, from fishing and sailing to off-roaders, bush walkers and sports such as cycling and golf. This means we are confident our lenses are the best they can be before they get to you.
